GOVERNMENT OF INDIA
DEFENCE
LOK SABHA

UNSTARRED QUESTION NO:2109
ANSWERED ON:28.07.2017
Transfer of Technology from USA
Singh Shri Rakesh

Will the Minister of DEFENCE be pleased to state:

(a) whether the United State of America (USA) has agreed to provide strategically important technology, fighter and cargo planes, helicopter and drone etc.;

(b) if so, the details thereof;

(c) whether efforts have been made to develop technology for manufacturing fighter planes and drones in the country so as to make the country self-reliant in defence sector; and

(d) if so, the details thereof?

Answer

MINISTER OF STATE (DR. SUBHASH BHAMRE)
IN THE MINISTRY OF DEFENCE
????? ????? ?????? (??. ????? ?????)

(a) & (b): India and the United States of America share wide-ranging cooperation in the field of defence, which includes procurement of state of the art defence equipment.

(c) & (d): Government remains committed to develop technology for manufacturing of advanced defence equipment in India to promote self-reliance. Programmes for licensed manufacturing, as well as indigenous design and manufacturing of aerospace platforms have already been implemented in this regard.
